WISCONSIN 4-H FOUNDATION

Purpose -
To enhance statewide 4-H by investing in Wisconsin's 4-H Youth … Leaders of Tomorrow.

Mission -
Generate resources to invest in successful 4-H Youth Development programs.

Vision -
Wisconsin 4-H Foundation, Inc. will be a dynamic leader in expanding statewide support for 4-H Youth Development.

From the Executive Director

In this annual report you will find an accounting of our income and expenses, a listing of our various endowment funds, and information about our donors and the many program areas you help to support. That's all information for the HEAD. Now I'd like to speak about the HEART of Wisconsin 4-H – some of the many faces, achievements, and goals of 4-H Youth Development.

- I recently joined a large 4-H club in the Madison area and find the club meetings so impressive. The older youth gently instruct the younger ones in parliamentary procedure, and then they conduct the club meeting with poise and focus. Forty kids in attendance and all paying attention and participating for over an hour!
- Go to any county fair this summer and observe the great variety of 4-H projects on display – and the skill involved in creating them. Wisconsin 4-H truly offers something to fit every youth's interests and skill level.
- At any 4-H activity, you'll see volunteers supporting, guiding, and encouraging 4-H youth in their efforts. These youth-adult connections provide positive role models and a caring environment for our youngsters.
- I am constantly impressed at the number of hours local and state 4-H staff put in during their work day. And then many of them volunteer for 4-H in their free time!
- I love watching the State 4-H Youth Leader Council members as they participate in the 4-H Foundation's various fundraising and donor recognition events. They are outgoing, confident, articulate – and make me proud of what 4-H has helped them to achieve. All of us are really helping to "Make the Best Better" and it is exciting to see the great results!

These examples, to me, typify the heart of 4-H – the good occuring when donors, volunteers, staff, and youth come together to make a better world.

As a donor, your financial gifts help provide training for volunteers and teaching resources for many 4-H project areas. Your gifts help to keep registration costs low so all youth can participate in 4-H activities. Your gifts help give youth the opportunity to try new things, stretch their minds and grow in self-confidence. Your investment in Wisconsin 4-H youth pays unimaginably wonderful dividends for many years to come!

So please fill your HEAD with the facts about the 4-H Foundation and 4-H programs, and fill your HEART with the values and successes of Wisconsin 4-H. Thank you for helping to make Wisconsin 4-H GREAT!

Patricia Harrington

Patricia Harrington, Executive Director

4-H Program Areas

Animal Sciences

covers a wide range of programs including Beef, Cats, Dairy, Dogs, Goats, Horses, Poultry, Rabbits, Sheep and Swine. The Wisconsin 4-H Foundation supports state competitions and Area Animal Science Days, and helps to fund national judging and quiz bowl teams. ***"I have been a member of 4-H for five years. 4-H has given me the responsibility of caring for and raising my own animals and allowed me to make more of my own choices and decisions. I have changed in numerous ways since becoming involved in 4-H and truly believe that the continuous support and encouragement from other members, parents and leaders is the most contributing factor."*** *– 4-H Youth*

Arts & Communication

includes Computers, Creative Writing, Drawing & Painting, Photography, Public Speaking, Puppetry and Videography. Through support from the 4-H Foundation, last year more than 300 4-H members participated in 4-H Arts Camp, 4-H ArtBeat!, 4-H Arts Leader Lab, Drama Company, Showcase Singers, and the 4-H Arts Team. Arts & Communication is the largest Wisconsin 4-H project area and includes county and State Fair competitions and presentations. ***"Don't miss 4-H Arts Camp! Where else can you go to one place to learn about music, drama, visual arts, photography, communications and juggling!*** *– 4-H Youth*

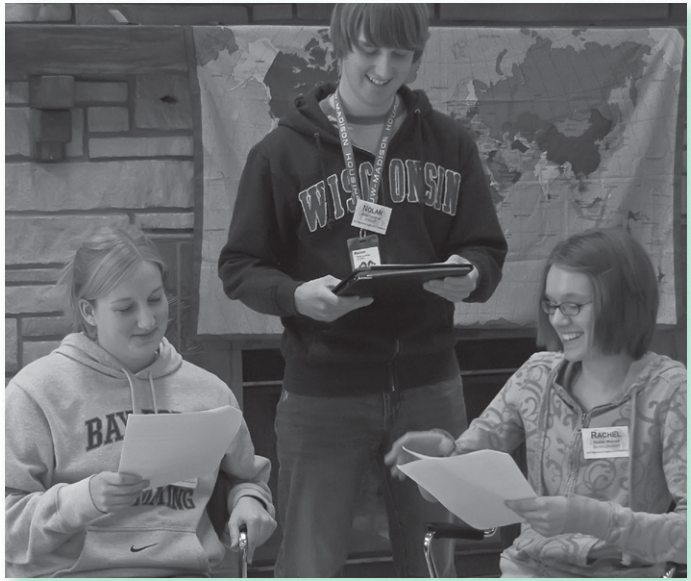
Funded with Your Support

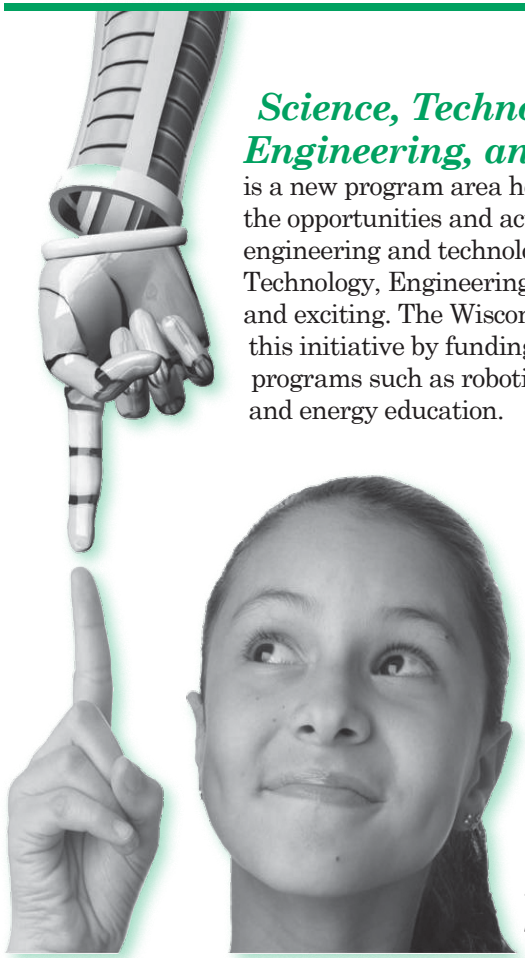
Natural Resources & Environmental Education includes programs of Outdoor Adventures, Bicycling, Birds, Canoeing, Entomology, Forestry, Recycling, Shooting Sports, Sport Fishing and Winter Travel. The Shooting Sports is active in nearly every county in Wisconsin. A total of 5,321 youth develop skills in the area and learn about Wisconsin wildlife. The Wisconsin 4-H Foundation supports volunteer training and certification, national competition teams and other activities.

"Being a counselor at 4-H camp has really forced me to be able to take charge in any situation and also be able to listen and learn in any situation." *– 4-H Youth*

Outreach & International Activities consists of state and national trips for 4-H youth including the State 4-H & Youth Conference, the 4-H National Congress and international exchange programs (formerly IFYE).



"It was clear Wisconsin had much to share with others due to these delegate's experiences in 4-H. I was proud to stand by them while they presented their ideas confidently and enthusiastically! Our county will be in good hands in the future thanks to the remarkable young leaders 4-H produces!" *– National 4-H Conference Chaperone*



Science, Technology, Engineering, and Math (STEM)

is a new program area helping to excite youth about the opportunities and activities available in the science, engineering and technology fields. 4-H programs in Science, Technology, Engineering, and Math (STEM) are engaging and exciting. The Wisconsin 4-H Foundation supports this initiative by funding county and state STEM pilot programs such as robotics, rocketry, geospatial and energy education.

"4-H gave me the opportunity to not only learn about the dairy cow and find my passion in life, but also develop leadership and communication skills as well. I don't think that I would be where I am today without the work ethic instilled into me by 4-H."
