

You are invited to get involved in the auction excitement!

The award-winning meat products auctioned at the Governor's Blue Ribbon Meat Products Auction benefitting the Wisconsin 4-H Foundation represent some of the finest Wisconsin-made items available. But the real stars of the auction are our 4-H youth, who represent our future.

The auction could not be successful with the remarkable support it receives from our partners. **A customized partnership with the Wisconsin 4-H Foundation provides a tremendous marketing and communications opportunity.**

Not only do our event sponsors share the limelight during the auction, but the Foundation works throughout the year to provide additional significant promotion. Our sponsors receive numerous rights and benefits by aligning with this event to create visibility, elevate brand awareness and invest in Wisconsin's premier youth organization.

We welcome the opportunity to discuss your marketing objectives and will work to develop a custom partnership that compliments your goals.
