**EGG INNOVATIONS RECOGNIZED AS GOLD SPONSOR**

*Madison, Wis.* (February 16, 2021) – The Wisconsin 4-H Foundation recently recognized partner Egg Innovations as a Gold Sponsor donor to the 2020 Governor’s Blue Ribbon Meat Products Auction. Egg Innovations contributed \$10,000 to support Wisconsin 4-H programs through the Wisconsin 4-H Foundation.

Egg Innovations and the Brunnquell family have been ardent 4-H supporters for many years. Even with the uncertainties of the past year, they have continued to invest in our 4-H youth.

Egg Innovations President and CEO, John Brunnquell, is proud to support Wisconsin 4-H stating, “Egg Innovations believes very strongly in supporting the development of our future leaders. We feel 4-H does an excellent job of fulfilling that role.” You can find out more about Egg Innovations at their website, [www.egginnovations.com](http://www.egginnovations.com).

“We are truly grateful for the continued support of generous partners, like Egg Innovations,” adds Brenda Scheider, Executive Director of the Wisconsin 4-H Foundation. “Egg Innovations helps 4-H create cutting-edge, relevant programs for young people to learn real-world skills that will prepare them for the challenges of today and tomorrow, moving communities, the state, our country and the world forward in ways no other youth organization can. We value our partners who help Wisconsin 4-H make a positive impact on our youth.”

Since 1914, Wisconsin 4-H has helped young people develop the skills they need to meet the demands of our complex and changing world. Growing out of a rich history of agricultural clubs that helped the University of Wisconsin Extension connect families to research-based advancements in farming technology and techniques, today’s 4-H has expanded to include science (STEM), leadership, healthy living and communications programming that will help Wisconsin youth build a healthier and more prosperous future.

4-H is one of the largest and oldest statewide youth organizations in Wisconsin, offering a wide variety of programs in both urban and rural settings. From the 4-H activities in the city of Milwaukee to the 4-H clubs in rural areas of Bayfield County, 4-H is making a positive impact on young people throughout the state. Nearly 150,000 youth participate in the Wisconsin 4-H program each year, and more than 22,000 volunteers support the program.

The Wisconsin 4-H Foundation, based in Madison, provides essential funding for 4-H programs throughout Wisconsin. By partnering with individuals, corporations and foundations, the Foundation supports 4-H leadership, youth development and community-building activities throughout the state.
