**\*Web and Digital Communications Assistant:** The Web and Digital Communications Assistant for the Wisconsin 4-H Foundation will assist in the creation, production, launch and evaluation of online campaigns and content used to support fundraising and marketing programs. The Assistant is hired by and reports to the Foundation Executive Director and Development Coordinator.

Since 1914, Wisconsin 4-H has helped young people develop the skills they need to meet the demands of our complex and changing world. Growing out of a rich history of agricultural clubs that helped the University of Wisconsin Extension connect families to research-based advancements in farming technology and techniques, today's 4-H has expanded to include science (STEM), leadership, healthy living and communications programming that will help Wisconsin youth build a healthier and more prosperous future.

4-H is one of the largest and oldest statewide youth organizations in Wisconsin, offering a wide variety of programs in both urban and rural settings. From the 4-H activities in the city of Milwaukee to the 4-H clubs in rural areas of Bayfield County, 4-H is making a positive impact on young people throughout the state. Nearly 150,000 youth participate in the Wisconsin 4-H program each year, and more than 22,000 volunteers support the program.

The Wisconsin 4-H Foundation, based in Madison, provides essential funding for 4-H programs throughout Wisconsin. By partnering with individuals, corporations and foundations, the Foundation supports 4-H leadership, youth development and community-building activities throughout the state.
